To escape my younger sister's
trick of "misconducting", I
understandably ended up in
this PG class

Just for
the first
time

She didn't
want to
leave

When you have
what to think
and don't know

Maybe I want
to see what's
going on

I heard that there's an
extracurricular activity of studying
in this class

If you know too much, when your brain will become fried.

After class, he can
ask Muna. He's more
than that!

After school,
he'll go to (Luna's
place). He'll get it
from (Muna).

— You'll
come
back so
soon,
won't you?

— Yes.

She has been
left behind.

I know
Muna's
phone
number!

It's a sunny street scene.

Dan's really happy to see you and that's the way and I am too.

It's a sunny street scene and that's the way.

It's a sunny street scene and that's the way.

It's a sunny street scene and that's the way and I am too.

It's a sunny street scene and that's the way.

Nuna!

Oh Dan!

I'm really happy to see you and that's the way and I am too.

YOO DANHEE!

NUNA, YOU WANT TO SEE YOO DANHEE?

I need you to
swear it
was other
friends.....

DON'T LIE.
MINA.
YOU ARE
REALLY
CRAZY!

I recognize this girl

I've been here
for an hour
than a day

You understand?

How do you think that?

Haha-
This is really crazy

After is there no more people
here that know me.....

The city's tallest.

What's the use of building an apartment this high?

If I had to open this door,

603

Please tell them I'm not here.

If I had to open this door,

Who, huh? Just kidding.

I'm not an Alchemist.

Alchemist, who are you?

CHINA, THE ALCHEMIST OF THE EAST, IS HERE AGAIN!

Someone on the
side are the old
James, then James
is wearing
under the first
when James had
come. Go
to the first

our plan.

Yukiko

My dear little
Cousin

Hehe

Qiana, I'm going out
for a while

Don't come home
too late

How I hope for your return
everyday

The little blue Dressmaker

How I can't wait to see you

—Garrison and Garrison

It's Garrison. He's not
supposed to be!

I would spend my time with...

With that said,
even Belmont (Chang)
couldn't resist going
to see Garrison-lee.

...Garrison and Garrison
looking at me...

...Garrison and Garrison
looking at me...

Yes, Garrison. That
man who was the
going to do it.

It's not clear.

It's not clear what
he's going to do.

That's looking to
be the end of it.

You can't be like this!
You have a
chance!
A CHANCE!

Just let him be!

Ignore your head!
Don't do that!

Minato
Again smiling

Please don't cry-
Did it really hurt
that much?

Ah, sorry

No problem

Yes, no...
For that, no way

I'm not afraid
because of
that

Then make your head
lighter your head, okay

I used to worry because
of you guys' father and you
give me that

Defina:
How did that
happen?

Wah, are you
crazy (should
say- That bitch
Yuu Jackson!

I knew that wasn't
good news (from
the start

Defina: (in a low
and serious tone)
Defina might not
know exactly, but
something's up.

But that "Mr. Jackson
knows your whereabouts when
Defina-bitch could not
only do such a thing!

Defina: Jackson
said to the
Defina-bitch that
she- I'm really
about leaving.

Defina:
then let's go see
Mr. Jackson!

You think that is a fact
You should go out with
Mr. Jackson. Let's see what
she, what does she think!

Defina: (in a low
voice) - she said to me
something like that you
should go out with her
and we should not
see Mr. Jackson!

The girl's not
saying anything
Defina can't say
anything to her
anymore!

Defina: (in a low
voice) - she said to me
something like that you
should go out with her
and we should not
see Mr. Jackson!

Defina: (in a low
voice) - she said to me
something like that you
should go out with her
and we should not
see Mr. Jackson!

You don't want
to see Mr. Jackson
and you don't want
to see Mr. Jackson
and you don't want
to see Mr. Jackson!

Defina: (in a low
voice) - she said to me
something like that you
should go out with her
and we should not
see Mr. Jackson!
